Group Reservation Policy (required for reservations 16 players):

• Reservations are available up to thirty days in advance. A $10 advance reservation fee will be charged per player for reservations made more than seven days in advance.

• Tee times are to be guaranteed with a valid credit card. Visa, MasterCard, American Express and Discover Card are accepted.

• The pro shop must be notified of cancellation of tee times or reduction in the number of players at least 48 hours in advance of the scheduled tee time to avoid being charged a cancellation fee for the full standard rate for the day/time of reservation. I have read and understand Angeles National Golf Club's group reservation policy above, and authorize to charge to the credit card listed above for any no show players.
